

WESTERN RED CEDAR

BOARDS & FASCIA

Fraserview's **Gold Select Appearance** Boards and Fascia are a defining marque on many high-end homes. They offer dimensional stability, durability, and an unmatched ability to accept a variety of stains and finishes. Manufactured to the industry's highest standards, these products are surfaced on one side and two edges (S1S2E). They are ready for installation and compatible with a wide variety of cladding materials.
